

## GSC Solar Motion Sensor Light

**\$74.99**

Now it's easy to enjoy the safety and convenience of having a light outside your house. The Security Solar light eliminates the need for an outside light burning through the night. It automatically turns on when motion is detected after dark to make your guests feel welcome and to keep you safe from intruders.

### Features

- Solar Powered. No electrician needed for installation and no operating costs.
    - Perfect for porches, doorways, or around the house.
  - Light automatically turns on when motion is detected at night. Adjustable PIR sensor detects motion within 180 degrees and up to 35 feet away.
  - Super bright LED with silver reflector creates bright illumination in the coverage area.
    - Time duration can be set from 10 seconds to 4 minutes.
    - Time, motion sensitivity, and LUX (daylight sensitivity) adjustments.
  - When charged in full sunlight, light can activate up to 180 times when on for 60 seconds at a time.
    - Easy DIY installation. No wiring. No electrician needed.
    - Uses free energy from the sun. No operating costs.
      - Adjustable swivel head and sensor.
      - Durable weatherproof housing.
  - 9 foot cable allows ideal location for solar panel and lets you mount the light inside, if desired.
    - Includes three 1.2V 900 mAh NiMH rechargeable batteries
-
